Mr. Gerard P. Burke  
President's Foreign Intelligence  
Advisory Board  
Room 297  
Executive Office Building

Dear Jerry:

In accordance with your request, I am attaching a copy of the paper sent by the DCI to Dr. Kissinger suggesting that the NSC structure undertake a review of the Caribbean. This was mentioned by Mr. Helms at his last meeting with the Board. It is interesting to note that Dr. Kissinger has issued an NSSM dated February 16th calling for such a study.

Along the same general lines, i.e., flagging potential problems, the DCI sent another paper dated 14 January to Dr. Kissinger. This was entitled "Potential Problems Which Might Affect U.S. Interests in Certain Countries Abroad." I am forwarding a copy of that as well.

Sincerely,

(Signed) Thomas A. Parrott
